

Go Tell Aunt Rhody

Key:Fmajor Count in Fours

This is a really good song to strum and sing.

It uses two chords - F and C7.

**F = 1st finger 1st fret E string + 2nd finger 2nd fret G string.*

** (If you find this chord too hard don't worry about the 2nd finger but be careful to only strum the C, E and A strings!)*

C7 = 1st finger 1st fret A string.

Try single strums at first and then try strumming

"Down Down Up" on each chord. Play with a swing!
